

SPECIALTY BINDERS

EASYOPEN® PROFILE™ Binders

- Unique ergonomic design offers an easy-grip cover and a stable writing surface when opened out flat
- Significantly easier to open and close requiring only one finger
- Archival-safe for all documents and photos - will not lift or transfer inks
- "Ease of Use" Commendation from the Arthritis Foundation
- Safer to operate (will not pinch fingers or cause injury when closing)
- Security of a positive lock when closed
- Trigger will not scratch work surface
- FREE online templates at www.cardinalbrands.com
